FEDERATED CONFERENCE ON
COMPUTER SCIENCE
AND INFORMATION SYSTEMS

Lodz, Poland 13-16 September, 2015

Call for Events:
The FedCSIS multi-conference consists of a significant number of antecedent Events, but the Call for Events is opened in all areas of computer science and information systems and new proposals for associated Events (conferences, symposia, workshops, special sessions, etc.) are cordially invited until October 31, 2014.

The proposals should be prepared according to requirements specified in the Call for Events on the conference website http://www.fedcsis.org and emailed in a single pdf file to secretariat@fedcsis.org

The proposals will be evaluated based on their scientific/technical interest and/or their relevance to practitioners in these topics, the quality of the proposal, in addressing the requested information, the innovativeness of the Event topics, and the capacity in the FedCSIS conference program.

Paper submission:
Authors should submit draft papers (as Postscript, PDF of MSWord file). The total length of a paper should not exceed 12 pages IEEE style (including tables, figures and references). IEEE style templates are available here.

Papers will be refereed and accepted on the basis of their scientific merit and relevance to the workshop. Proprietary containing accepted papers will be published on a USB memory stick provided to the FedCSIS participants.

Only papers presented at the conference will be submitted for inclusion in the IEEE Xplore® database.

Conference proceedings will be published in a volume with ISBN, ISSN and DOI numbers and posted at the conference WWW site.

Conference proceedings will be indexed in BazEkon and submitted for indexing in Thomson Reuters - Conference Proceedings Citation Index, Scopus, Impact Factor, Index Copernicus, DBLP Computer Science Bibliography and Google Scholar.

Extended versions of selected papers presented during the conference will be published as Special Issue(s) of:
- Informatica (Slovenia)
- EURASIP Journal on Information Security (Open Access)
- Theoretical and Applied Informatics

Organizers reserve right to move accepted papers between FedCSIS events.
